

Working in partnership – professional membership of Diabetes UK

Join forces with Diabetes UK to make a powerful partnership working to deliver real benefits to people with diabetes.

Whether you are a diabetes specialist or primary care practitioner, interested in best practice diabetes care delivery today or the advances scientific research can bring tomorrow, professional membership of Diabetes UK is for you.

As the leading UK charity working for people with diabetes, Diabetes UK appreciates the vital role played by researchers and healthcare professionals and wants to work in partnership with you.

Our professional membership makes it easy for you to stay informed about key diabetes-related health policies and issues, new treatments, best practice in diabetes care, and advances in scientific research and what the results mean for you and people with diabetes.

To become a professional member of Diabetes UK simply complete the membership form and send it with your payment to:

What professional membership of Diabetes UK gives you:

- Our quarterly publication, *Diabetes Update*, keeping you informed of diabetes care and research developments.
- Reduced delegate rates for conferences including our highly acclaimed Annual Professional Conference.
- Free professional reports and discounted patient literature.
- *Diabetic Medicine*, our monthly clinical care research journal, subscription available at up to 80 per cent discount.
- Our bi-monthly magazine *Balance*, giving practical advice on living with diabetes and covering issues relevant to your patients.

“More people are coming into my practice with problems related to sedentary lifestyles. Some are shocked to learn they have diabetes.

They need reassurance and helpful, detailed information immediately, and my professional membership of Diabetes UK is invaluable in this.

GP Professor Jonathan Richards

Diabetes UK professional member, Merthyr Tydfil.

Direct Debit guarantee

- This guarantee is offered by all banks and building societies that take part in the Direct Debit scheme.
- The efficiency and security of the scheme is monitored by your own bank/building society.
- If the amounts to be paid on the payment dates change, Diabetes UK will notify you 10 working days in advance of your account being debited or otherwise agreed.
- If an error is made by Diabetes UK or your bank/building society, you are guaranteed a full refund from your branch of the paid amount.
- You can cancel a Direct Debit at any time by writing to your bank/building society. Please also send a copy of your letter to Diabetes UK.
- **If paying by Direct Debit please retain this statement for your records.**
