

NHS Diabetes Prevention Programme Minimum Dataset

Unique Ref	Data Item	Format	Codes	Data Values	Required / Optional	Time of collection	Definitions / additional information
Organisational Data							
DPP1	Organisation code of referrer	an6 (6 char) Self-referrals = X99999			Req'd	Referral	The code of the referring organisation. In most cases this is a NHS organisation code. If the referral is from a private organisation without a national code then providers should develop an unique code for each organisation. If a direct recruitment referral the provider code should be recorded. For self-referrals, the code X99999 should be used.
DPP2	Organisation code of provider	an6 (6char)			Req'd	Referral	Code allocated to provider of DPP.
DPP3	Call off Contract Number	TBA			Req'd	Referral	Call-off contract number allocated by NHS England.
DPP4	General Medical Practice Code (Patient Registration)	n6 (6char) Default code	V81997	No Registered GP Practice	Req'd	Referral	Practice at which the person is registered.
			V81999	GP Practice Code not known			
Personal / Demographic Data							
DPP5	NHS Number	n3-n3-n4			Req'd	Referral	NHS number is mandatory.
DPP54	Referral ID	an6			Req'd	Referral	Each referral must be allocated an unique serial number by the Provider.
DPP6	Family Name	max an35			Optional	Referral	Should only be submitted if the person agrees to be contacted for evaluation purposes (DPP38 = Y)
DPP7	Given Name	max an35			Optional	Referral	
DPP8	Address	an175 (5 lines each an35)			Optional	Referral	5 lines available but only 3 required. Only required to be submitted if the person agrees to be contacted for evaluation purposes (DPP38 = Y). However email or telephone can be collected instead of postal address if preferred.
DPP9	Postcode	max an8 Default code	ZZ99 3VZ	No fixed Abode	Req'd	Referral	Postcode is mandatory for all participants who attend an Initial Assessment. Postcode is also required for all other participants if it is contained within the referral information.
			ZZ99 3WZ	Address not known			
DPP10	Tel	max an255			Optional	Referral	Only 1 of these is required although both can be recorded if available. Should only be submitted if the person agrees to be contacted for evaluation purposes (DPP38 = Y)
DPP11	E-mail	max an255			Optional		
DPP12	Date of Birth	an10 CCYY-MM-DD			Req'd	Referral	The date of birth of the participant.
DPP13	Sex	an1	1	Male	Req'd	Assessment	The person's sex. Indeterminate means "unable to be classified as either male or female".
			2	Female			
			9	Indeterminate			
			X	Not known / not recorded			
DPP14	Ethnicity	an2		White	Req'd	Assessment	The ethnicity of a person, as specified by the participant. "Not Stated" should be used where the person has been given the opportunity to state their ethnic category but chose not to. "Not known" should only be used when a person has not been asked.
			A	British or Mixed British			
			B	Irish			
			C	Any other white background			
				Mixed			
			D	White and Black Caribbean			
			E	White and Black African			
			F	White and Asian			
			G	Any other mixed background			
				Asian or Asian British			
			H	Indian			
			J	Pakistani			
			K	Bangladeshi			
			L	Any other Asian background			
				Black or Black British			
			M	Caribbean			
			N	African			
			P	Any other black background			
				Other Ethnic Groups			
	R	Chinese					
	S	Any other ethnic group					
	Z	Not Stated					
	99	Not Known					
DPP15	Religion	an1	A	Baha'i	Req'd	Assessment	A person's religious or other belief system affiliation. Where a person has been asked but they are unsure "Other" should be used. "Not known" should only be used when a person has not been asked.
			B	Buddhist			
			C	Christian			
			D	Hindu			
			E	Jain			
			F	Jewish			
			G	Muslim			
			H	Pagan			
			I	Sikh			
			J	Zoroastrian			
			K	Other			
			L	None			
			M	Declines to Disclose			
			N	Patient Religion Unknown			
DPP16	Employment Status	an2	1	Employed	Req'd	Assessment	The current employment status of the person.

Unique Ref	Data Item	Format	Codes	Data Values	Required / Optional	Time of collection	Definitions / additional information
			2	Unemployed and seeking work			
			3	Students who are undertaking full (at least 16 hours per week) or part-time (less than 16 hours per week) education or training and who are not working or actively seeking work			
			4	Long-term sick or disabled, those who are receiving Incapacity Benefit, Income Support or both; or Employment and Support Allowance			
			5	Homemaker looking after the family or home and who are not working or actively seeking work			
			6	Not receiving benefits and who are not working or actively seeking work			
			7	Unpaid voluntary work who are not working or actively seeking work			
			8	Retired			
			Z	Not Stated (Person asked but declined to provide a response)			
			X	Not Known			
DPP17	Sexual Orientation	an1	1	Heterosexual	Req'd	Assessment	The sexual orientation of the person.
			2	Gay/Lesbian			
			3	Bi-sexual			
			4	Person asked and does not know or is not sure			
			Z	Not Stated (Person asked but declined to provide a response)			
			X	Not known			
DPP56	Accommodation Status	an4		Mainstream Housing	Req'd	Assessment	An indication of the type of accommodation that a person currently has. This should be based on the person's main or permanent residence. If a person has been asked but declined to provide an answer record "Not stated".
			MA01	Owner occupier			
			MA02	Settled mainstream housing with family/friends			
			MA03	Shared ownership scheme e.g. Social Homebuy Scheme (tenant purchase percentage of home value from landlord)			
			MA04	Tenant - Local Authority/Arms Length Management Organisation/Registered Landlord			
			MA05	Tenant - Housing Association			
			MA06	Tenant - private landlord			
			MA09	Other mainstream housing			
			HM00	Homeless			
			MH00	Accommodation with mental health care support			
			HS00	Acute/long stay healthcare residential facility/hospital			
			CH00	Accommodation with other (not specialist mental health) care support			
			CJ00	Accommodation with criminal justice support			
			SH00	Sheltered Housing (accommodation with a scheme manager or warden living on the premises or nearby, contactable by an alarm system if necessary)			
			ML00	Mobile accommodation			
			OC96	Other / Not elsewhere classified			
			Z	Not Stated			
			99	Not Known			
DPP54	Does the individual have a disability?	an1	1	Yes	Req'd	Assessment	Whether a person has a disability. This can be where they have been diagnosed as disabled, or they consider themselves to be disabled.
			2	No			
			3	Not Stated (Person asked but declined to provide a response)			
			4	Not known			
DPP19.01	Disability Status	an1	Y / N	Behaviour and Emotional	Req'd if DPP54 is Yes.	Assessment	A person's disabilities. This should only be completed if a person has said "Yes" to DPP54. Each of these fields must be completed with either a "Y" for "Yes", or a "N" for "No". A person can say "Yes" to more than one disability.
DPP19.02			Y / N	Hearing			
DPP19.03			Y / N	Manual Dexterity			
DPP19.04			Y / N	Memory or ability to concentrate, learn or understand (Learning Disability)			
DPP19.05			Y / N	Mobility and Gross Motor			
DPP19.06			Y / N	Perception of Physical Danger			
DPP19.07			Y / N	Personal, Self-Care and Continence			
DPP19.08			Y / N	Progressive Conditions and Physical Health (such as HIV, cancer, multiple sclerosis, fits etc.)			
DPP19.09			Y / N	Sight			
DPP19.10			Y / N	Speech			
DPP19.11			Y / N	Other			
DPP20	Is individual on Learning Disability Register	an1	Y	Yes	Req'd	Referral	Whether an individual has been recorded on the learning disability register at their general practice. The register is produced by the practice from diagnostic information and therefore individuals may not know that they are on the register. This information should only be collected from referrers / General Practices
			N	No			
			X	Not known			

Unique Ref	Data Item	Format	Codes	Data Values	Required / Optional	Time of collection	Definitions / additional information
DPP21	Is individual on SMI Register	an2	Y	Yes	Req'd	Referral	Whether an individual has been recorded on the Serious Mental Illness register at their general practice. The register is produced by the practice from diagnostic information and therefore individuals may not know that they are on the register. This information should only be collected from referrers / General
			N	No			
			X	Not known			
DPP22	Is individual a smoker	an1	1	Smoker	Req'd	Assessment	Current smoker: Adults who smoke cigarettes nowadays. Ex-smoker: Adults who used to smoke cigarettes regularly but no longer do so. http://content.digital.nhs.uk/catalogue/PUB17526/stat-smok-eng-2015-rep.pdf
			2	Ex-smoker			
			3	Non-smoker			
			Z	Not Stated (Person asked but declined to provide a response)			
			X	Not known			
Recruitment data							
DPP23	Date of Referral receipt	an10 CCYY-MM-DD			Req'd	Referral	The date the provider receives the referral from an organisation, or the date a participant first contacts the provider after receiving a letter notifying them of their eligibility to take part in the programme.
DPP24	Date of first attempt to make contact	an10 CCYY-MM-DD			Req'd	Invitation	The date the provider first attempts to contact the participant by any method. If the participant contacts the provider this will be blank.
DPP25	Date of successful contact	an10 CCYY-MM-DD			Req'd if successful contact made.	Invitation	This is the date at which an individual accepts or declines an invitation to attend an Initial Assessment. It can be the same as DPP24. This will be blank if no successful contact was made.
DPP26	Method of successful contact	an2	1	Letter	Req'd if successful contact made.	Invitation	Only required if a successful contact has been made. The is the communication method by which an individual accepts or declines the invitation to attend an Initial Assessment.
			2	Telephone			
			3	Text			
			4	E-mail			
			5	Face to Face			
DPP27	Number of contact attempts made	an4			Req'd	Invitation	The number of attempts the provider has made to contact a person, up to and including the successful contact recorded in DPP25 and DPP26. If all contacts were initiated by the participant then the number will
DPP28	Acceptance to take part in programme	an4	Y	Yes	Req'd	Invitation	Whether a person accepts or declines an invitation to attend an Initial Assessment. If a successful contact has not been made but further attempts are planned this should be blank. If a person is discharged
			N	No			
DPP29	Reason for declining NHS DPP	an2	1	Contact not made despite several attempts	Req'd if DPP28 is No.	Invitation	The reason given by the person for declining to attend an Initial Assessment. Please refer to the service specification and any other guidelines from NHS England regarding the eligibility criteria.
			2	No reason given			
			3	Unable to commit time			
			4	Inconvenient Time			
			5	Inconvenient location			
			6	Not motivated at this time			
			7	Other			
			8	Does not meet eligibility criteria			
DPP49	Source of Referral	an1	1	Referral from GP / NHS Health Check Provider / other healthcare professional	Req'd	Referral	The source from which the provider receives the referral.
			2	Contact with provider initiated following receipt of letter informing of eligibility or advice from health professionals			
			3	Self-referral			
			4	Direct recruitment			
Process / outcome data							
DPP30	Date of Session	an10 CCYY-MM-DD			Req'd	Assessment / Each intervention session	The date of the session. It should be recorded as soon as the date of the session is known / booked, which can be before the session is due to take place. This should be updated if the date of the session changes.
DPP31	Record of attendance	an1	1	Attended	Req'd	Assessment / Each intervention session	Whether someone attends the session. A cancelled session means one that has not been rearranged to take place at another time.
			2	Did Not attend			
			3	Session Cancelled			
DPP32	Location of session (Postcode)	max an8			Req'd	Assessment / Each intervention session	The postcode of the location of the session. If this is a remote session, the participants postcode should be used.
DPP33	Time of session	24 hour clock (n:2:n2)			Req'd	Assessment / Each intervention session	The time at which the session starts.
DPP34	Length of session	Minutes (n3)			Req'd	Assessment / Each intervention session	The difference between the time of the start of the session and the time of the end of the session.
DPP35	Facilitator Code	an6			Req'd	Assessment / Each intervention session	Providers must assign each facilitator with a unique code. Codes cannot be reused if a facilitator leaves.
DPP36	Type of session (individual / group/ F2F/ remote)	an1	1	Face to Face (group)	Req'd	Assessment / Each intervention session	The method of session delivery.
			2	Face to Face (individual)			
			3	Remote (telephone)			
			4	Remote(web-based)			
DPP37	Facilitator Qualification	an2	1	Health Professional (Nurse)	Req'd	Assessment / Each intervention session	The primary qualification (as relevant to the programme) of the facilitator. A "health trainer" must have successfully completed the City and Guilds level 3 Certificate for Health Trainers, the nationally recognised training for health trainers. A "physical Activity professional" must have level 3 membership of the Register of Exercise Professionals.
			2	Health Professional (Health Trainer)			
			3	Health Professional (Dietician)			
			4	Health Professional (Physiotherapist)			
			5	Health Practitioner (Practitioner Psychologist)			
			6	Health Professional (Physical Activity Professional)			
			7	Other (paid)			
			8	Other (volunteer)			
DPP38	Consent for future contact for	an1	Y	Yes	Req'd	Assessment	The person agrees to be contacted in the future to take part in the evaluation of the NHS Diabetes

Unique Ref	Data Item	Format	Codes	Data Values	Required / Optional	Time of collection	Definitions / additional information
	evaluation		N X	No Not recorded			Prevention Programme.
DPP40	WEMWEBS score	an2		Value should be between 14 and 70	Req'd for all individuals who have an IA before 1st November 2017	Assessment / Last session	WEMWEBS should be completed at IA and last session for all individuals who have an IA before 1st November. Individuals who have an IA on or after the 1st of November 2017 should complete the EQ5D and EQVAS (DPP50 and DPP51) at IA and last session.
DPP50.1	EQ-5D: Mobility	n1	1-5, 9	A score of 1-5 is required for each. If missing or ambiguous (e.g. 2 boxes ticked) score 9	Req'd for all individuals who have an IA on or after 1st November 2017	Assessment / Last session	Scores for the each of the 5 EQ-5D-5L Domains. EQ5D is not required for individuals whose IA happens before 1st November 2017.
DPP50.2	EQ-5D: Self-care	n2					
DPP50.3	EQ-5D: Usual activities	n3					
DPP50.4	EQ-5D: Anxiety/depression	n4					
DPP50.5	EQ-5D: Pain/discomfort	n5					
DPP51	EQ-VAS	n3		000-100 or 999 (missing or if ambiguous)	Req'd for all individuals who have an IA on or after 1st November 2017	Assessment / Last session	Score for the EQ-VAS scale. EQVAS is not required for individuals whose IA happens before 1st November 2017.
DPP57	Date of EQ5D and EQVAS	an10 CCYY-MM-DD			Req'd	Assessment / Last session	The EQ-5D and EQ-VAS should be taken at assessment and last session.
DPP41	Height	m n1.n2	999	Individual declined or is not able to be measured	Req'd	Assessment	The height of the person.
DPP64	Referral weight measurement	Kg n3.n3	999	Not known / provided	Req'd if provided	Referral	If a weight measurement is provided by the referrer this should be recorded. 999 should only be used when a person has declined to be measured, or a measure is not possible for physical or other personal reasons.
DPP65	Date of referral weight measurement	an10 CCYY-MM-DD			Req'd if provided	Referral	The date of the weight in DPP64 if provided.
DPP42	Provider weight measurement	Kg n3.n3	999	Individual declined or is not able to be measured	Req'd (see supporting information)	Assessment / Each intervention session	The weight of the person taken by the provider. 999 should only be used when a person has declined to be measured, or a measure is not possible for physical or other personal reasons.
DPP47	Date of provider weight measurement	an10 CCYY-MM-DD			Req'd if DPP42 completed.	Assessment / Each intervention session	The date of the weight in DPP42
DPP58	Referral HbA1C reading	n2.n1 (HbA1c)			Req'd	Referral	HbA1C reading provided at referral.
DPP59	Date of referral HbA1C reading	an10 CCYY-MM-DD				Referral	Date of HbA1C reading provided at referral
DPP60	Referral FPG reading	max n2.max n1				Referral	FPG reading provided at referral.
DPP61	Date of referral FPG reading	an10 CCYY-MM-DD				Referral	Date of FPG reading provided at referral
DPP62	Provider HbA1C or FPG reading	n2.n1 (HbA1c) max n2.max n1 (FPG)			Req'd (see supporting information).	Assessment / 6 months / Last session	If the dates of referral HbA1c / FPG readings are more than 3 months before referral, a new HbA1c or FPG must be taken and recorded as part of the Initial Assessment. Please refer to the service specification and any additional guidelines from NHS England.
DPP63	Date of provider HbA1C or FPG reading	an10 CCYY-MM-DD					
End of programme data							
DPP44	Date of outcome data notified to individuals General Practice	an10 CCYY-MM-DD			Req'd	After last session attended.	The date that the outcome data of a participant is sent to the person's General Practice.
DPP45	Date it is established participant will not complete programme	an10 CCYY-MM-DD			Req'd if a person does not complete the programme	Anytime throughout programme	The date that it is established that someone who agreed to enter the programme will not complete the programme. Entering the programme is defined as agreeing to attend an Initial Assessment, regardless of whether they attended that assessment.
DPP52	Non-completion due to progression to type 2 diabetes	a1.	Y N	Yes No	Req'd if a person does not complete the programme	Anytime throughout programme	A record of whether the reason for not completing the programme is due to progression to type 2 diabetes.
DPP46	Date of completion	an10 CCYY-MM-DD			Req'd if a person completes the programme	At or after last session.	A person is considered to have completed the programme if they have been booked on a final session. The date of completion should therefore be the same as the final session regardless of whether that person attends the session. This should not be recorded before the final session takes places.
