Please tick the box below, adding the date and filling out your name and address.

- I am a UK tax payer and want Diabetes UK to treat the donations I have made in the past four years and all future donations as Gift Aid donations.
- I understand that my donations are eligible for the scheme if I pay enough UK Income and/or Capital Gains Tax to cover the amount of tax that all charities I donate to will reclaim in that tax year.
 - If I pay less it is my responsibility to pay back the difference.
 - Please tell us if you change your name, address or no longer pay sufficient tax.
 - Your full name and home address are needed to identify you as a current UK taxpayer.
