

TERMS AND CONDITIONS

Charity Place

As a charity place participant, by completing this form I agree that:

- I would like to participate in the Amsterdam Marathon/Half Marathon 2026 for Diabetes UK and pledge to raise the minimum sponsorship amount of £500 – Full Marathon, £250 – Half Marathon.
- I understand that the deadline for sending in the minimum sponsorship amount is 4 weeks after the event.
- I will be 18 years of age on the day of the event, or the age stipulated by the event organisers.
- I confirm that I am healthy and fit to take part in the Event, understand and have considered and evaluated the nature, scope and extent of the risks involved.
- Your running vest will only be sent to you if you raise a minimum of £50. It will then be posted to the address provided upon registration, 4-6 weeks before the date of your event. For more information, please see our Incentive Terms and Conditions on our event webpage: <https://www.diabetes.org.uk/support-us/fundraise/fundraising-events/amsterdam-marathon>
- If you are unable to take part in the event this year, you will first be offered a place in another event in the same year, where possible. If you accept the offer of transferring to another event, the fundraising target will be updated to that of the new event and this could be higher or lower than the event you are currently registered for.
- If you are unable to transfer to another event in the same year, deferring your place in the event you signed up for will only be allowed in special circumstances. If deferral is permitted, you will be required to pay the entry fee again - this may be different to the original entry fee. Original entry fees are non-refundable.
- If you meet the special circumstances for deferral, and the online entry system has closed (meaning we are unable to offer your place to another runner), you will only be offered deferral

if you have raised over 50% of the minimum sponsorship target. If deferral is offered, this will be for one year only.

- I acknowledge that participation in the Event involves physical activities and inherent risks and dangers of accidents, personal and bodily injury (including death) and property loss or damage. I understand that if I have any medical conditions that could be adversely affected by exercise, particularly a heart condition, or if I am in any doubt about my health, Diabetes UK recommends that I get clearance from my doctor before participating.
- I acknowledge that I take part in this activity entirely at my own risk. I therefore agree that I will not hold Diabetes UK or any of its representatives responsible for any injury, death or loss that might occur as a result of my participation in the Event, except to the extent that personal injury or death is caused by the negligence of Diabetes UK.
- Digital videos and photographic images may be taken during the Event. Diabetes UK may use these Digital videos and photographic images to publicise the Event for commercial and/or fundraising purposes including, but not limited to, Newsletters, Websites, future Events etc. If you would like to opt out from photos, please email events.fundraising@diabetes.org.uk with your name and the email address you registered with. For all images of those under 18, we will get your explicit permission before use.
- I will take responsibility to declare any serious medical conditions to the Event Organisers and to record medical details and emergency contact details on the reverse of the race number and bring any necessary treatment with me on the day.
- I declare that I will not compete in this race unless I am in good health on the day of the race.
